Amendment to the Staff Rules

1. The Executive Committee at its 146th Session considered the modifications to the Staff Rules made by the Director of the Pan American Sanitary Bureau and confirmed them in Resolution CE146.R13.

Salaries of Professional and Higher Categories and Staff in Ungraded Posts

2. The International Civil Service Commission recommended and the United Nations General Assembly endorsed, effective from 1 January 2009, an increase of 3.04% to the base/floor salary scale for the professional and higher categories through the standard consolidation method of increasing base salary and commensurately reducing post adjustment multiplier points, i.e., on a “no gain/no loss” basis.

3. To maintain uniformity with WHO and the United Nations Common System, the Director of the Pan American Sanitary Bureau (PASB) approved similar adjustments in the base/floor salary scale for PASB staff in the professional and higher categories. Those adjustments were confirmed by PAHO’s Executive Committee at its 146th Session. In conformity with Staff Rule 330.4, similar adjustments were also approved by the Director and confirmed by the Executive Committee with respect to the salaries of the Deputy Director and Assistant Director of the PASB.
Salary of the Director

4. Based on the Executive Committee’s action (paragraph 3, above) and for consistency, similar adjustments should also be made to the salary of the Director. Pursuant to Staff Rule 330.4, any adjustment to the salary of the Director must be approved by the Pan American Sanitary Conference or the Directing Council.

Amendment to Staff Regulation 4.3

5. In accordance with Staff Regulation 12.1, the Director submits to the Directing Council for its approval an amendment to Staff Regulation 4.3 (see Annex A). This amendment is considered necessary to ensure that the principles of diversity and inclusion are taken into consideration during the staff selection process.

Action by the Directing Council

6. The Directing Council is requested to consider the resolution in Annex B proposed by the Executive Committee concerning the salary of the Director and the amendment to Staff Regulation 4.3.
