NETWORKS

AGENDA

Proposal for the Development of a Regional Agenda for Hospitals in Integrated Health Service Delivery Networks

EXPERTS MEETING

Barbados, October 24 – 25, 2012

Integrated Health Service Delivery Networks: **The Challenge for Hospitals**

PAN AMERICAN HEALTH ORGANIZATION
Area of Health Systems Based on Primary Health Care

OBJECTIVES

- To validate the information from the series of managers' meetings held in countries and provide a sub-regional perspective on the future of hospitals and the development of IHSDNs, and
- To determine strategic lines for the Regional Agenda for Hospitals in IHSDNs from the perspective of the English-speaking Member States.

WEDNESDAY, OCTOBER 24
