APPOINTMENT OF THREE MEMBERS TO THE PAHO AUDIT COMMITTEE

Background

1. In 2009, the 49th Directing Council established an Audit Committee in the Pan American Health Organization (PAHO) to function according to the Terms of Reference approved in Resolution CD49.R2 (see Annex A).
2. In accordance with its Terms of Reference, the PAHO Audit Committee serves in an independent expert advisory capacity to the Director of the Pan American Sanitary Bureau (PASB) and PAHO's Member States. Through the Executive Committee process, the PAHO Audit Committee provides advice on the operation of the Organization's financial controls and reporting structures, risk management processes, and other audit-related controls.
3. The Audit Committee is to be composed of three members appointed by the Executive Committee of PAHO.
4. The process established in the Terms of Reference for identifying candidates for Audit Committee membership requires that the Director of the PASB recommend a list of qualified candidates to the Subcommittee on Program, Budget, and Administration (SPBA) prior to the Executive Committee Session. This list must include an extended curriculum vitae of each of the candidates proposed by the Director for consideration. At the Executive Committee Session, the Audit Committee members are selected.
5. All Audit Committee members shall reflect the highest level of integrity and be fully independent of PAHO. The Criteria for Membership established in the Terms of Reference requires recent and relevant senior-level financial, audit, and/or other oversight related experience. Such experience should reflect, to the extent possible, the following:

- (a) experience in preparing, auditing, analyzing, or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues faced by PAHO, including an understanding of relevant accepted accounting principles;
- (b) an understanding of and, if possible, relevant experience in the inspection, monitoring, and evaluation processes;
- (c) an understanding of internal control, risk management, investigation, and procedures for financial reporting;
- (d) a general understanding of the organization, structure, and functioning of international organizations in the UN system.

Call for Candidates

6. Given that this is the first Audit Committee to be established in PAHO, a full slate of qualified candidates must be selected by the Executive Committee in June 2010 to fill all three positions at the same time. Therefore, in December 2009, the Director of the PASB retained the services of a leading executive search firm with previous experience working with PAHO, to assist in identifying a broad pool of qualified candidates.

7. Working closely with the executive search firm, a detailed advertisement strategy for the positions was developed. This included developing a sourcing list of 76 individuals to contact for referrals of strong candidates, along with a target list of United Nations organizations, international organizations, multilateral financial institutions, professional associations, and private sector entities. Advertisements were placed in leading print and online publications. A timeline was also developed in order to comply with the deadlines of PAHO's Governing Bodies. The closing date for submission of applications was 25 January 2010. The executive search firm received and screened 118 applicants, of which 32 met the stated requirements and were interviewed.

8. The Secretariat reviewed the applications of a smaller number of candidates. On 1 March 2010 the Director of the PASB presented the extended curriculum vitae of six candidates to the Members of the Subcommittee on Program, Budget, and Administration (SPBA) for consideration.

9. The Fourth Session of the SPBA, held on 17-19 March 2010, appointed a working group to evaluate the list of candidates proposed by the Director. The working group carefully examined the Terms of Reference of the Audit Committee and reviewed in depth the six candidates, their respective curricula vitae, and the summaries of their personal interviews.

10. Based on the working group's evaluation, the SPBA recommended, in order of preference, the following candidates for consideration by the Executive Committee:

- Mr. Alain Gillette
- Mr. Peter Maertens
- Mrs. Carman L. LaPointe
- Mrs. Amalia Lo Faso

Action by the Executive Committee

11. The Executive Committee is invited to take note of this report and to consider the list of candidates advanced by the SPBA and the supporting documentation submitted by the Secretariat. It may request additional information as necessary.

12. In accordance with the Terms of Reference of the PAHO Audit Committee, it is incumbent upon the Executive Committee to appoint three members to serve on the Audit Committee from the list of candidates submitted by the SPBA.

13. The members of the Audit Committee appointed by the Executive Committee are to serve three-year terms, with the exception of the initial three members of the Committee being appointed at this time, who shall serve terms of two, three and four years, respectively, to be determined by drawing lots.

14. The Executive Committee, after appointing the initial three members of the PAHO Audit Committee pursuant to the above-described process, may wish to consider adoption of the proposed resolution presented in Annex B.

TERMS OF REFERENCE FOR THE AUDIT COMMITTEE OF PAHO

Guiding Principle

1. An Audit Committee shall be established by the Directing Council of the Pan American Health Organization (PAHO) to exercise an independent consultative function, providing the Director of the Pan American Sanitary Bureau (“the Director”) and the PAHO Member States, through the Executive Committee, with advice on the operation of the Organization’s financial controls and reporting structures, risk management processes, and other audit-related controls. The Committee shall perform this function through independent reviews of the work carried out by PAHO’s system of internal and external controls, including PAHO’s Office of Internal Oversight and Evaluation Services, the External Auditor, and the administration and management of the Organization. The work of the Audit Committee shall be conducted in accordance with internationally accepted standards and best practices and in compliance with PAHO’s policies, regulations, and rules. The Audit Committee does not substitute the function of the Executive Committee of PAHO or of its Subcommittee on Program, Budget, and Administration (SPBA).

Role of the Committee

2. The PAHO Audit Committee shall:
- (a) review and monitor the adequacy, efficiency, and effectiveness of the Organization’s risk assessment and management processes, the system of internal and external controls (including PAHO’s internal oversight and External Auditor function), and the timely and effective implementation by management of audit recommendations;
 - (b) advise on issues related to the system of internal and external controls, their strategies, work plans, and performance;
 - (c) report on any matter of PAHO policy and procedure requiring corrective action and on improvements recommended in the area of controls, including evaluation, audit, and risk management;
 - (d) comment on the work plans and the proposed budget of the internal and external audit functions;

- (e) advise on the operational implications of the issues and trends apparent in the financial statements of the Organization and significant financial reporting policy issues;
- (f) advise on the appropriateness and effectiveness of accounting policies and disclosure practices and assess changes and risks in those policies; and
- (g) advise the Director in the selection process of the Auditor General of PAHO, and advise the Executive Committee in the selection of the External Auditor.

Membership of the Committee

3. The Audit Committee shall be composed of three members who shall reflect the highest level of integrity and be fully independent from PAHO. The Audit Committee shall be appointed by the Executive Committee of PAHO. Members shall serve in their personal capacity. Each Member shall serve as Chairperson of the Committee for one year on a rotational basis.

Criteria for Membership

4. All members of the Committee must have recent and relevant senior-level financial, audit, and/or other oversight related experience. Such experience should reflect, to the extent possible:

- (b) an understanding of and, if possible, relevant experience in the inspection, monitoring, and evaluation processes;
- (c) an understanding of internal control, risk management, investigation, and procedures for financial reporting; and
- (d) a general understanding of the organization, structure, and functioning of international organizations in the UN system.

Terms of Appointment

5. The Members of the Audit Committee shall be appointed to serve no more than two full terms of three years each. The election cycle shall be fixed upon establishment of the Committee. Members may be reelected for a second and final term of three years, with the exception of the initial three Members of the Committee, who shall be appointed by drawing of lots to serve an initial term of two, three, or four years. Former members of the Audit Committee may be reappointed to the Committee subject to not serving more than two full terms.

Call for Proposals

6. The Director shall recommend a list of qualified candidates. The list will be notified to the SPBA prior to the Executive Committee Session and must include an extended CV of each of the candidates.

9. Members of the Audit Committee shall be required to sign a confidentiality statement at the beginning of their tenure, as well as a PAHO Declaration of Interest Form. Where an actual or potential conflict of interest arises, the Member shall declare such interest to the Committee and will be excused from the Committee's discussion on the corresponding issue.
